HERITAGE BAY GOLF & COUNTRY CLUB RULES AND REGULATIONS

FOREWORD

The following Rules and Regulations have been adopted and will be administered by the Heritage Bay Golf & Country Club Board of Directors (hereafter referred to as the BOD).

The Rules and Regulations of Heritage Bay Golf & Country Club (hereafter referred to as the Club) are designed to protect the rights and privileges of our Members, their families and guests, to protect Club property and reduce Club liability.

Enforcement of these rules and regulations will be placed in the hands of management whose primary responsibility is to provide our Members all the courtesies, comforts and services to which they are entitled. It is the duty of those using our facilities to understand and adhere to the rules and regulations, and cooperate with the BOD, management, and staff in the enforcement thereof. Members who witness violations of the Rules and Regulations are encouraged to report such violations to the manager on duty.

GENERAL POLICIES

POLICIES

All policies shall be in effect unless amended by the BOD, who may change policy without notice. They apply to and are binding upon all Owners, transferees and guests and are designed to protect the rights and privileges of all who reside in Heritage Bay.

Please note that the Heritage Bay Declaration and Bylaws should be consulted regarding any issues not specifically addressed by the Rules and Regulations.

MEMBERSHIP PRIVILEGES

Use of the Club Common Areas and Amenities, Including the Golf Course

The governing documents of Heritage Bay define membership rights and privileges. The following language, in pertinent part, is quoted from selected Amendments to the Second Amended and Restated Declaration, which were approved by a membership vote in 2019, and describes who may use the Club common areas and amenities, including golf:

“Every Living Unit has one (1) Club Membership . . . Full rights of use in the Common Areas and amenities, including full golfing privileges are subject to the limitations in this Declaration, including Section 4.2 below, and in the Bylaws, including Section 2.6 . . .” (Section 4.1(A), Amendment to Second Amended and Restated Declaration).

“The Owners of each Living Unit are entitled to designate no more than two (2) persons as ‘Designated Club Members.’ The designations of the Designated Club Members may be changed only once in any twelve (12) month period. The primary person designated must be an Owner of the Living Unit and is referred to as the ‘Designated Owner Member.’ The second person designated is referred to as the ‘Designated Member.’ The Designated Member must also be an Owner of the Living Unit, or the Designated Member must reside together when at Heritage Bay with the Designated Owner Member.” (Section 4.2(A), Amendment to Second Amended and Restated Declaration).

“Custodial children or grandchildren of either of the Designated Club Members shall be entitled to utilize all Club Common Areas and Amenities, including the golf course if they meet all of the following conditions: (a) said child or children are age 21 or less; (b) such child or children are not married or cohabiting with any third party; and (c) said child or children reside with one of the Designated Club Members in the Living Unit on a permanent basis, or in the case of college or graduate students, at such times as the student is not enrolled in a college or university.” (Section 4.2 (B), Amendment to Second Amended and Restated Declaration).

TENANTS

There are two types of Tenants.

Transferee – One who rents a unit from a homeowner and to whom the homeowner has transferred privileges. Transferee Tenants must register with the Administration Office upon arrival. Transfers must be for a period of 30 days or more.

Non-transferee – One who rents a unit from a homeowner and to whom the homeowner has not transferred privileges. A Non-transferee Tenant is limited to lodging only and is not entitled to utilize any of the club or common facilities. Rentals must be for a period of 30 days or more.

TRANSFER OF MEMBERSHIP PRIVILEGES

1. A completed transfer form, signed by the owner, must be received and approved by the Administration Office no less than thirty (30) days in advance of the transfer. Property Management approval must be received in order to transfer privileges.
2. A processing fee, currently \$600 (subject to change at the discretion of the BOD), must accompany the completed transfer form.
3. Transfer of privileges will only be approved if the Owner's account is current in all HOA and Master Association fees and charges, including annual assessments, special assessments, minimums, and monthly billing.
4. During the time specified on the transfer form, the owner's membership privileges are rescinded.
5. An owner may not transfer his membership privileges for less than 30 days.
6. The transferee must be residing in the unit for which the privileges are transferred.
7. Privileges for the use of the club amenities are transferable only to one individual, his/her spouse and children aged 21 or younger who satisfy certain conditions set forth in the Declaration.

TRANSFER OF MEMBERSHIP PRIVILEGES PROCEDURE

Homeowners who plan to rent their units must follow rules established in the Master Association documents and Neighborhood Association Governing documents. Transfer forms are available in the Administration Office and online. The form must be submitted no less than thirty (30) days prior to the start of any lease, to the Administration Office. The Neighborhood Association property management company may also require separate forms and a background check. Please contact the appropriate property management company for information regarding these forms. The Club will make its best efforts to process the proposed Transfer and notify Owner/Rental Agent of its status within 14 days of receipt of the transfer form and Property Management approval. If the fully completed form is filed less than (30) days prior to the start date of the lease, the Club will endeavor to process the Transfer in a timely manner. However, the Transfer may be rejected or delayed if adequate time is not available for proper processing (see item D below). No transferee or non-transferee tenant may move into a rental unit without rental notification to the Neighborhood Association Board of Directors and no lease may be for less than thirty (30) days. Please contact the Administration Office for additional information at (239) 353-7056 x 108.

The Club will not approve a Transfer if:

1. The requirements of section 5.31 of the Heritage Bay Declaration have not been satisfied. No unit may be leased or rented for a period of less than thirty (30) consecutive days. Landlord is obligated to sufficiently assure the Board that no Home will be occupied by any sexual offender or predator or anyone who has been arrested or adjudicated as a sexual offender or predator. Neighborhood Covenants may establish stricter standards for particular Neighborhoods.”
2. The Application on its face, or the conduct of the applicant, indicates the person seeking approval intends to conduct himself in a manner inconsistent with the Heritage Bay Declaration, Bylaws and/or the Rules and Regulations.
3. The person seeking approval as a tenant has a history of disruptive behavior or disregard for property rights of others as evidenced by his conduct in other housing situations.
4. The Owner has failed to provide a completed Application in a timely manner.
5. All HOA and Master Association assessments, fines and other charges against the unit and/ or Owner have not been paid in full.
6. The Owner is in violation, or has violated in the past, provisions of the Rules and Regulations related to leasing or ensuring Tenant conduct in compliance with covenants, restrictions, and rules and regulations of the Community.

GUEST PRIVILEGES

An individual who is the guest of a Member or of a Transferee is entitled to the use of the clubhouse, golf course and other facilities under rules established by the BOD. An individual who has paid a daily guest fee for use of the golf course is also entitled to the use of the clubhouse. The General Manager or any other management personnel employed by the Club may deny guest privileges to any individual when, in their opinion, it is in the best interest of the Club to do so. The owner has financial and legal responsibility for the actions of his or her tenants, licensees, invitees or guests and for the actions of the guests, licensees, and invitees of his tenant.

MEMBERSHIP CARDS AND ID

All members and transferees, as set forth in the Declaration, shall be issued Member ID Cards. Member ID Cards shall include a picture of the member, which will also be used as identification in the Club’s member database. These cards should be carried at all times while on Club property. Loss of cards should be

reported to the Administration Office, at which time a replacement card will be issued for a nominal fee. Cards are not transferable. MASTER ASSOCIATION DUES

In accordance with the Master Association documents, an annual assessment against each living unit shall be assessed on the first day of each calendar year. Assessments are payable annually by January 1. Written notice of the annual assessment will be sent to all owners at least thirty (30) days prior to the due date. Bulk sales of alcohol or food are prohibited. The BOD may adjust the amount of the Annual Food and Beverage Minimum. All Member statements, distributed in the first week of each month, will show the unspent balance remaining for the year. Any unspent balance remaining from the Annual Food and Beverage Minimum as of December 31st will be billed on the December statement with payment due and payable by January 31st.

The “per unit” Annual Food and Beverage Minimum may also be satisfied through use by the registered Transferees. All food and beverage charges must be assigned to the Member account to be applied properly.

THEFT & LOST AND FOUND

The Administration Office as well as the Golf Shop has a “Lost and Found”. However, Heritage Bay is not responsible for the safekeeping of valuables and other personal property. Our storage areas are not guaranteed to prevent theft, and our insurance company does not cover replacement of any personal items such as money, jewelry, clothes, shoes, etc. stored in lockers, golf bags, etc. Lost and Found items, if not claimed within 60 days, may be discarded.

MEMBER INJURIES

When on Heritage Bay property (golf course, clubhouse, wellness center, tennis and pickleball center and other common areas), Members, Transferees, and guests will be financially responsible for all medical or liability claims resulting from any negligent act on their part. Members, Transferees, and all guests are required to sign a Wellness Center liability waiver. It is the responsibility of the Member to maintain adequate insurance coverage.

Please call 911 first in case of any medical emergency and then notify the Gatehouse at (239) 455-6392.

TRASH AND RECYCLING RECEPTACLES

for parking. Clubhouse parking is not permitted on grass or in landscaped areas around the Clubhouse or on the street along Gator Bay adjacent to the Clubhouse.

WALKING AND JOGGING, OTHER SPORT ACTIVITIES

No walking, jogging, biking, skateboarding, rollerblading, or pet walking is allowed on the golf course or cart paths at any time. Please contact management at (239) 353-7056 to report any violations. There are designated bicycle lanes in the community for bike riders.

In no event is fishing allowed or permitted on land that abuts golf course property or on or off bridges or other similar structures. Children must be accompanied by an adult when walking along the edge of a lake. Feeding or taunting alligators is prohibited and subject to a \$500 fine and jail by the State of Florida.

WARNING: ALLIGATORS AND OTHER WILDLIFE MAY OCCUPY THE LAKES AND THE ASSOCIATIONS, CLUB, AND CDD ARE NOT LIABLE FOR ANY DAMAGE OR INJURY CAUSED BY SUCH WILDLIFE.

ATHLETIC LOCKERS AND CLUB STORAGE

A limited number of athletic lockers are available on an annual basis and golf club storage is available on an annual basis. Please check with the Golf Shop for additional information.

DRIVING RANGE

The driving range and putting greens are open during posted operating hours only. The golf course dress code applies to the driving range and golf practice areas. Members and Transferees must accompany guests using the range at all times. Please observe the posted rules daily. Range balls must not be removed from the practice area or used on the golf course. As a courtesy, players with tee times have priority on the driving range.

ADJOINING COMMUNITY (THE QUARRY)

Heritage Bay has an adjoining community to the west named “The Quarry”. The two communities are connected by Siesta Bay Drive. As a result, members of Heritage Bay have access into The Quarry, and Members of The Quarry have access into Heritage Bay. However, it is important to note that the facilities for each community are not common, and Heritage Bay members are not to use the facilities of The Quarry unless they have specific approval of the Management Team of The Quarry or are guests of a member of The Quarry. This same principle also applies to Quarry members. This is important to ensure we maintain a strong positive relationship with our neighbors.

SPECIFIC POLICIES

SMOKING

Smoking is prohibited in all enclosed areas of the Club, including the pools, clubhouse, wellness center, golf shop, tennis shop, and restrooms. Smoking is also prohibited on the clubhouse patio, at The Cabana, inside all fenced pool areas, on the tennis courts, pickleball courts, soft seating firepit areas, bocce courts, bocce seating area, golf driving range, golf practice areas and main golf cart staging area. However, smoking will be permitted in designated areas. Smoking is allowed on the golf course. However, because of the close proximity, smokers are requested to ask their golf cart partner if smoking in the cart is acceptable before

proceeding. Safe disposal of ash, butts, and other smoking debris are required, and Members can request an ashtray from Outside Services staff. Smoking includes use of electronic or “e” cigarettes, also known as “vaping”, and use of any similar electronic smoking devices whatsoever that emit vapors of any kind.

WEAPONS

Weapons are prohibited in Heritage Bay common buildings and all pool areas.

DRUGS

Use of drugs for non-medical purposes is not permitted on Club property.

FIGHTING

Fighting is not permitted on Club property, unless in self-defense.

HARRASSMENT (VERBAL AND/OR PHYSICAL)

Harassment including but not limited to threats, assaultive behavior, unconsented touching, inappropriate sexual behavior of any kind, verbal profanities, disrespectful conduct, and/or any other disorderly behavior towards any person on Heritage Bay property is prohibited.

FOOD AND BEVERAGE

ALCOHOL USE

It is the intent of the Club to comply with all Federal, State, and local laws pertaining to the sale and service of alcoholic beverages. Instances of intoxication by Members, Transferees or guests may be subject to disciplinary action.

FOOD AND BEVERAGE HOURS OF OPERATION

The Food & Beverage hours of operation change seasonally, and will be posted on the Heritage Bay website, weekly newsletter, calendar, and on the weekly e-blast.

RESERVATION AND CANCELLATION POLICY

Reservations for all dining facilities are strongly advised and can be made by calling the activities and reservations desk at (239) 353-7056 x107 or online at www.golfheritagebay.com under Dining Reservations. Reservations are required for large parties (5 or more) to accommodate the appropriate number of tables.

Members are not permitted to arrange tables or alter the seating plan and must request assistance from Club staff.

If plans change, Members should call the activities and reservation desk to cancel their reservation so others may be accommodated.

Reservations for Member social events will be accepted on a first-call basis until the event is sold out. Reservations will normally be accepted one month in advance of all events. A “wait list” will be used to replace any cancellations. The “table starter” can make a reservation for up to eight (8) members. Groups of more than eight (8) must have a second Member make a separate reservation. When making reservations you must provide the names and Member Numbers of all Members on the reservation.

Cancellations of reservations for Member social events must be made at least 72 hours in advance to avoid being charged for that event. Reservations can be cancelled by calling (239) 353-7056 x107.

PRIVATE PARTIES

The Dining Room may be booked for private parties, providing there is no conflict with Club operations or functions, by calling the Banquet & Activities Manager at (239) 353-7056 x110.

MEETINGS

Due to the large numbers of groups wishing to use Club facilities, all groups are required to reserve space and time with the Administration Office. Space will be reserved on a “first call” basis. The reservation must specify any set-up requirements prior to the meeting. The Club reserves the right to re-assign function rooms and limit space for any group.

DRESS CODE

The dress code throughout the Clubhouse is Country Club Casual.

Country Club Casual requires gentlemen to wear collared shirts or mock neck golf shirts and dress shorts or slacks. Women and children are required to wear similarly appropriate attire. Clean, untorn, dress denim is permitted throughout the Clubhouse. Women may wear hats as part of their ensemble. All hats must be worn forward facing.

Swim attire, cut-offs, frayed or ripped denim, tee shirts, tank tops, and gym attire

are not permitted in the Clubhouse.

In some instances, special Clubhouse sponsored events will include an exception to the normal Dress Code.

Going shirtless while exercising or biking through the community is not appropriate. Everyone should be properly attired when using club facilities and common areas.

When using the Clubhouse, Members, Transferees, and guests are required to always comply with the Dress Code and dress in an appropriate manner using good taste. This includes the attendance of all meetings.

It is the responsibility of Members and Transferees to ensure their guests are aware of and comply with the Dress Code. Management will enforce the Dress Code, including the authority to refuse service and request any person(s) not compliant to leave.

GOLF

GOLF COURSE RULES

The Heritage Bay Board of Directors (BOD) believes that to ensure fair and equitable access to the golf amenity, to maximize member enjoyment of that amenity and to ensure the personal safety of all golfers, it is necessary for all members to follow the approved Golf Course Rules. There is no intent to restrict the enjoyment obtained from playing our course. And it is hoped that Member pride in our Club, together with the thoughtfulness and consideration we afford our fellow golfers, will make enforcement of any rules unnecessary. That given, the following rules apply:

1. The rules of the United States Golf Association (USGA) govern play, except when local rules take precedent. Refer to the scorecard for local rules.
2. Use of the golf course is controlled and supervised by the Director of Golf Operations. The Director of Golf Operations, in consultation with the General Manager, Golf Advisory Committee and in certain cases the BOD may establish certain days and times during which the golf course may be reserved for men's and women's golf days and special events. Non-golfers are not permitted on the golf course.
3. Non-golfers are not permitted on the golf course. Walking, jogging, skateboarding, rollerblading, bicycling, pet walking and ball playing are not allowed on the golf course or cart paths at any time.
4. Members should arrive at least 15 minutes prior to their scheduled tee

time to check in with the Starter prior to play. Transfer Members are required to register in the Golf Shop prior to play.

5. All play must start on the designated number one tee unless authorized by the Golf Shop staff.
6. No more than four (4) players per group are permitted unless authorized by the Director of Golf Operations.
7. Each player must have a set of clubs and a golf bag when playing the course.
8. Members who are experiencing problems with mobility must request a Handicap Exception from the Golf Staff; whereupon the staff will program the golf cart GPS to allow access to some otherwise restricted parts of the course. Please understand and respect the fact that this privilege is only for the player experiencing mobility problems.
9. Practice golf activities shall be limited to the driving range, chipping green, and putting green. Practice is strictly prohibited on the golf course. Range balls are to be used on the driving range or the short game practice area only. Range balls may not be taken from the practice areas for any reason.
10. All paper, bottles, cans, cigarettes and cigars and other trash should be placed in your golf bag or cart until you reach a trash receptacle. No coolers are allowed on the golf course unless supplied by the Club.
11. Ball hawking (i.e. searching / retrieving balls other than your own) is not permitted at any time due to concerns regarding pace of play, safety and security. The Club employs licensed and bonded firms to retrieve golf balls from our ponds.
12. There are alligators, snakes, and other wildlife in the ponds and Common Areas throughout the community. Please use caution around these areas. Florida State Law prohibits the feeding of alligators. DO NOT APPROACH ANY ANIMALS AT ANY TIME.

LIGHTNING PREDICTION

Lightning is a severe hazard that must be considered a serious risk. The Heritage Bay Community is equipped with a lightning detection system. There are two audible warning signals: One (1) Long blast means lightning is imminent and you should take cover immediately. Three (3) short blasts mean the lightning danger has passed and you can resume outdoor activities. During lightning delays, the golf courses, tennis and pickleball courts and all swimming pools will be closed until the all-clear alarm has sounded. Anyone outdoors in the community must seek shelter immediately. Places to seek shelter during the lightning include the clubhouse, maintenance building, on-course buildings and automobiles. Places to avoid during lightning: open areas, water, tall trees, metal fences, overhead wires and power lines, elevated grounds, and golf carts. Do not use cell phones or radios

during periods of lightning danger.
